# COLLEGE CALENDAR

1934 - 1935

## SUMMER SESSION 1934

Registration Day . . . . .	Monday, June 18
Classes Begin . . . . .	Tuesday, June 19
Session Ends . . . . .	Saturday, July 28

## FIRST SEMESTER

Registration and Classification of Freshmen .	Monday, September 10
Registration Day—All Others . . .	Wednesday, September 12
Classes Begin—8:00 A. M. . . . .	Thursday, September 13
Thanksgiving Recess Begins—12 M. . .	Wednesday, November 28
Thanksgiving Recess Ends—12 M. . . .	Monday, December 3
Christmas Recess Begins—after last class .	Saturday, December 22
Christmas Recess Ends—12 M. . . . .	Wednesday, January 2
First Semester Ends . . . . .	Saturday, January 19

## SECOND SEMESTER

Second Semester Begins—12 M. . . . .	Wednesday, January 23
Easter Recess Begins—after last class . .	Thursday, April 18
Easter Recess Ends—12 M. . . . .	Wednesday, April 24
Classwork Ends—after last class . . . .	Friday, May 24
Alumni Day . . . . .	Saturday, May 25
Baccalaureate Service . . . . .	Sunday, May 26
Senior Day . . . . .	Monday, May 27
Commencement . . . . .	Tuesday, May 28

## BOARD OF TRUSTEES

---

J. P. ARCHIBALD	.	.	.	.	Blairsville, Pennsylvania
WM. S. DAUGHERTY	.	.	.	.	Indiana, Pennsylvania
EDITH FEIT, (MRS. GEORGE J.)	.	.	.	.	Indiana, Pennsylvania
MABEL MACK, (MRS. JAMES)	.	.	.	.	Indiana, Pennsylvania
A. RALPH MOORHEAD	.	.	.	.	Indiana, Pennsylvania
JOHN A. SCOTT	.	.	.	.	Indiana, Pennsylvania
DR. WILLIAM A. SIMPSON	.	.	.	.	Indiana, Pennsylvania
ISABEL E. SUTTON, (MRS. ROBERT)	.	.	.	.	Indiana, Pennsylvania
THOMAS SUTTON	.	.	.	.	Indiana, Pennsylvania

THOMAS SUTTON, Indiana	.	.	.	.	.	<i>President</i>
WM. S. DAUGHERTY, Indiana	.	.	.	.	.	<i>Vice-President</i>
J. WOOD CLARK, Pittsburgh	.	.	.	.	.	<i>Secretary</i>
HARRY WHITE, Indiana	.	.	.	.	.	<i>Treasurer</i>

# THE FACULTY

1934 - 1935

- CHARLES R. FOSTER . . . . . *President*  
A.B., A.M., LL.D., University of Pittsburgh
- JENNIE M. ACKERMAN . . . . . *Director of Training*
- MRS. FLORENCE C. ARNTZ . . . . . *Commercial Education*  
A.B., Goucher College, A.M., Columbia University
- NELLE WREN AYERS . . . . . *Training Teacher*  
B.A., Iowa State Teachers College, M.A., Columbia University
- IRMA H. BARTHOLOMEW . . . . . *Voice*
- LAURA BASH . . . . . *Cooperative Training Teacher*
- RALPH B. BEARD . . . . . *Education*  
B.S., Bucknell University, M.A., Columbia University
- LOLA A. BEELAR . . . . . *Music*  
B.S., Columbia University, M.A., University of Pittsburgh
- ETHEL A. BELDEN . . . . . *Social Studies*  
B.S., M.A., Columbia University, M.S., Temple University
- AAGOT M. K. BORGE . . . . . *Music*  
B.M., M.A., University of Wisconsin
- BONNIE K. BOWEN . . . . . *Cooperative Training Teacher*  
A.B., University of Pittsburgh, M.A., Columbia University
- PAUL H. BOYTS . . . . . *Geography*  
A.B., M.A., University of Michigan
- RUTH V. BRENNEMAN . . . . . *Science*  
Ph.B., University of Chicago, M.A., Columbia University
- INEZ BUCHANAN . . . . . *Training Teacher*  
B.S., M.A., Columbia University
- HAROLD L. CAMP . . . . . *Education*  
B.A., Grinnell, M.A., Cornell, Ph.D., State University of Iowa
- TOBIAS O. CHEW . . . . . *Education*  
B.S., M.S., Adrian College, M.A., University of Pittsburgh
- ISABEL COLLINS . . . . . *Director Home Economics Curriculum*  
B.S., M.A., Columbia University
- ETHEL COUGHLIN . . . . . *Training Teacher*  
B.S., State Teachers College, Indiana, Pa.
- GUY PRATT DAVIS . . . . . *Education*  
B.S., Columbia University, Ed.M., Ed.D., Harvard University
- LAURENCE DAVIS . . . . . *Geography*  
B.A., North Dakota State Teachers College  
M.S., University of Chicago
- HENRIETTA DIXON . . . . . *Cooperative Training Teacher*  
B.S., University of Pittsburgh
- HELEN F. EGGLESTON . . . . . *English*  
B.A., University of Montana, M.A., University of Pittsburgh

- LENA ELLENBERGER . . . . . *Health and Physical Education*  
 B.S., State Teachers College, Emporia, Kansas  
 M.A., Columbia University
- WILBER EMMERT . . . . . *Science*  
 A.B., Peru State Teachers College, M.A., University of Chicago
- ETHEL L. FARREL . . . . . *Commercial Education*  
 B.S., Valpariso University, M.A., University of Chicago
- CLINTON M. FILE . . . . . *Commercial Education*  
 B.S., James Millikin University, M.A., University of Chicago
- MARY EDNA FLEGAL . . . . . *Director Art Curriculum*  
 B.S., M.A., Columbia University
- MRS. MARIE CORBETT GRAHAM . . . . . *Training Teacher*  
 A.B., State Teachers College, Ypsilanti, Michigan
- ERNA GRASSMUCK . . . . . *Geography*  
 B.S., University of Pennsylvania
- AMY GRAY . . . . . *Training Teacher*  
 B.S., Columbia University
- MALINDA HAMBLIN . . . . . *Health and Physical Education*  
 A.B., Cornell University, M.A., New York University
- MARY HART . . . . . *Training Teacher*  
 B.S., University of Pittsburgh
- MARGARET HARTSOCK . . . . . *Cooperative Training Teacher*  
 B.S., State Teachers College, Warrensburg, Mo.  
 M.A., Columbia University
- HARVEY A. HEATH . . . . . *Commercial Education*  
 B.S., M.A., University of Nebraska
- LILLIE B. HELD . . . . . *Music*  
 A.B., Carnegie Institute of Technology, A.M., Columbia University
- EVA HERNDON . . . . . *Cooperative Training Teacher*  
 B.A., Iowa State Teachers College
- MYRTLE L. HESSE . . . . . *Cooperative Training Teacher*  
 B.S., Ohio University, M.A., Columbia University
- G. G. HILL . . . . . *Director Commercial Curriculum*  
 A.B., Western Maryland College, M.A., University of Pittsburgh  
 M.C.Ed., Susquehanna University
- FRANCES HORAK . . . . . *Health and Physical Education*  
 B.A., Iowa State Teachers College, M.A., Columbia University
- GRACE HOUSTON . . . . . *Art*  
 A.B., Ohio State University
- IRENE L. HOWER . . . . . *Home Economics*  
 B.S., Cornell, M.S., University of Pennsylvania
- MERRILL B. IAMS . . . . . *Science*  
 B.S., Allegheny College, A.M., Columbia University
- GREGORY D. IVY . . . . . *Art*  
 A.M., Columbia University

- C. M. JOHNSON . . . . . *Social Studies*  
A.B., Muskingum, A.M., University of Chicago
- MARY ST. CLAIR KING . . . . . *Piano and Organ*
- RUTH KNOWLES . . . . . *English*  
A.B., Western State Teachers College, Kalamazoo, Mich.  
A.M., Columbia University
- IRENE LOY KOUGH . . . . . *Training Teacher*  
B.S., New York University, M.A., Columbia University
- KATE LACY . . . . . *Art*  
B.S., M.A., Columbia University
- MARGARET A. LEMON . . . . . *Education*  
B.S., M.A., Columbia University
- GERTRUDE M. LEWIS . . . . . *Cooperative Training Teacher*  
B.S., Ohio State University
- LUCILLE J. LITTLEFIELD . . . . . *Assistant Librarian*  
B.S., Simmons College
- MARGARET J. LOWMAN . . . . . *Cooperative Training Teacher*  
B.S., University of Pittsburgh
- MARY R. LOWMAN . . . . . *Music*  
B.S., M.A., New York University
- MRS. MAUDE McDEVITT . . . . . *Resident Nurse*  
R.N., Kane Summit Hospital
- JANE L. McGRATH . . . . . *Education*  
B.S., Columbia University, A.M., Chicago University
- LILLIAN I. McLEAN . . . . . *Education*  
B.S., S.M.T.C., Pittsburg, Kansas, A.M., Columbia University
- E. J. McLUCKIE . . . . . *Commercial*  
B.S., University of Pittsburgh, C.P.A., (Pennsylvania)
- MRS. LOUISE ANDERSON MACDONALD . . . . . *English*  
B.A., Iowa State Teachers College, M.A., University of Iowa
- RICHARD MADDEN . . . . . *Education*  
Ph.D., Columbia University
- JOY MAHACHEK . . . . . *Mathematics*  
B.A., Iowa State Teachers College, M.A., Columbia University
- ANGIE MARSHALL . . . . . *Cooperative Training Teacher*  
B.S., M.A., University of Pittsburgh
- MAY M. MATTSON . . . . . *Home Economics*  
M.S., University of Colorado
- HELEN C. MERRIMAN . . . . . *Home Economics*  
B.S., Purdue University, M.A., Columbia University
- GEORGE P. MILLER . . . . . *Health and Physical Education*  
B.S., M.A., Columbia University
- MRS. WILDA LEA MONTGOMERY . . . . . *Field Supervisor of Student Teachers*  
A.B., West Virginia University, M.A., University of Pittsburgh
- M. ELLA MOORE . . . . . *Cooperative Training Teacher*  
B.S., University of Pittsburgh, M.A., Columbia University

- ALMA B. MUNSON . . . . . *Art*  
Ph.B., Hamline University, M.A., Columbia University

## THE COLLEGE

THE STATE TEACHERS COLLEGE AT INDIANA is a State-owned and State-controlled institution devoted exclusively to the preparation of teachers for the public schools of Pennsylvania. Graduation from an approved four-year high school and the meeting of certain other standards explained on later pages are required for admission. The following curricula are offered:

A FOUR-YEAR CURRICULUM in Kindergarten-Primary education. (See pp. 33-34 for details.)

A FOUR-YEAR CURRICULUM in Intermediate education designed primarily for the preparation of teachers for grades four, five, and six. (See pp. 34-36 for details.)

A FOUR-YEAR CURRICULUM for the preparation of teachers for rural schools. (See pp. 36-37 for details.)

A SECONDARY SCHOOL CURRICULUM of four years designed primarily to prepare for teaching in junior and senior high schools. (See pp. 38-39 for details.)

Graduation from any of these curricula entitles the graduate to the degree of Bachelor of Science in Education and a College Provisional Certificate in the appropriate field. Students who feel that they must stop at the end of two years may secure a limited certificate which entitles the holder to teach in an elementary school for a period of three years. (See pp. 31, 58 for details.)

A MUSIC CURRICULUM of four years designed primarily to prepare teachers and supervisors of public school music and leading to the Bachelor of Science degree in Public School Music. (See pp. 53-56 for details.)

A HOME ECONOMICS CURRICULUM of four years designed primarily for the preparation of teachers of home economics in public schools and leading to the Bachelor of Science degree in Home Economics. (See pp. 50-51 for details.)

A BUSINESS CURRICULUM of four years designed primarily for the preparation of teachers of commercial subjects in public schools and leading to the Bachelor of Science degree in Education. (See pp. 44-45 for details.)

AN ART CURRICULUM of four years designed primarily for the preparation of teachers and supervisors of art in public schools and leading to the Bachelor of Science degree in Art Education. (See pp. 46-47 for details.)

*Every student who enters the Indiana State Teachers College must sign a declaration of intention to teach in the public schools of Pennsylvania for not less than two years.*

## HISTORY OF THE COLLEGE

---

THE STATE NORMAL SCHOOL AT INDIANA was authorized by an act of General Assembly in 1871 and was first opened for students on May 17, 1875. The original building, named John Sutton Hall, in honor of the first President of the Board of Trustees, is still used and is in an excellent state of preservation. The rapid growth of the school required additional buildings and equipment so that there has been an almost continuous expansion in these matters up to the present. The present beautiful campus with its collection of attractive and substantial buildings would gladden the hearts of those who struggled to get the institution under way. No college in the State can boast an educational plant, including campus, buildings, and equipment, in better physical condition than those at Indiana.

In addition to John Sutton Hall, which now houses all the administrative offices, the postoffice, recreation hall, the President's home, the library, and dormitory rooms, the following are the chief buildings:

THOMAS SUTTON HALL, an addition to John Sutton Hall, erected in 1903, containing the kitchens, dining rooms, and Dietitians' offices on the first floor and the Music Conservatory on the second and third. It was named for the present beloved President of the Board who has been officially connected with the school for over fifty years.

CLARK HALL, named in honor of Justice Silas M. Clark, a member of the Board of Trustees, was erected in 1906 on the site of a former building burned that year. It was used as a boys' dormitory until 1924 and since that time as a dormitory for girls.

WILSON HALL, the campus training school for grades one to six, was erected in 1893 and was named for Mr. A. W. Wilson, third President of the Board of Trustees.

LEONARD HALL, named for Jane E. Leonard, for many years preceptress of Indiana Normal, was erected in 1903 as a recitation building. It contains the laboratories, recitation rooms and the campus training school for the Junior High School.

THE PHYSICAL EDUCATION BUILDING was completed in 1928. It contains two gymnasiums, a fine swimming pool, and all the equipment that goes to make up an efficient physical education plant.

THE ARTS BUILDING, completed in 1931, houses the Art, Business, and Home Economics Departments, one entire floor being given to each department. This building, both in appearance and in equipment for efficient work, is recognized as one of the finest educational buildings in the State.

THE POWER PLANT, which furnishes heat and light for all buildings owned by the school, has been enlarged from time to time. The last unit was added during the past year making this plant thoroughly up to date in every way and insuring a capacity to meet all needs for years to come.

In addition to these complete buildings many additions have been made as needs increased. Among these were several additions to the dining room, giving it a seating capacity of eleven hundred, and many minor changes to add to the comfort of students and the efficiency of the school. The kitchen, refrigeration plant, bakery, and dining room form a unit not surpassed by any institution in the state.

In April, 1920, entire control and ownership of the school passed to the Commonwealth of Pennsylvania. In May, 1927, by authority of the General Assembly, the school became a College with the right to grant degrees and the name was changed to the State Teachers College at Indiana.

The school owns 34 acres of land, 23 of which are in the original campus. In the center of this is a beautiful oak grove about which are grouped the main buildings mentioned above forming three sides of a square. The rest of the campus is beautified by a careful distribution of shrubs, roses, and other attractive flowers. On streets bordering the campus the school owns eighteen houses or "cottages" most of which are occupied as dormitories by the students.

## LOCATION

INDIANA BOROUGH, the County seat of Indiana County, is located in the foothills of the Alleghenies at an elevation of about 1400 feet making it an ideal location for health and comfort. The town is noted for its cleanliness and beauty. It is easily accessible by automobile as it is located on the Benjamin Franklin Highway and is connected with all leading highways of the State by the finest concrete roads. It is also easily reached by rail, being the northern terminus of the "Indiana Branch" of the Pennsylvania Railroad, connecting with the main line at Torrance. Indiana is also on the Baltimore and Ohio Railroad which gives connections with all northern points. Bus service is available to practically all points in the State.

## STUDENT LIFE AT INDIANA

**T**HE STATE TEACHERS COLLEGE is primarily a *dormitory* school. It admits as Day Students, only those who live with parents or near relatives. The school has rooms for 700 young women.

*Students whose homes are not in Indiana and who desire to live with relatives in Indiana as Day Students must have the approval of the President in advance of registration. Under no circumstances are students permitted to room or board with private families, not immediate relatives.*

Young men students who are not Day Students room in school cottages, or in fraternity houses and take their meals in the college dining room.

**DISCIPLINE.** The Teachers College exists for the purpose of preparing young people for the vocation of public school teaching. The Commonwealth has by law declared the State Teachers College a part of the public school system.

The foregoing purpose determines the organization and administration of the College. The Institution aims to be *formative* rather than reformatory. There is work for students to do. There is also recreation for them. "Good Work well done" ought to be the student's ideal. The Commonwealth does not want laggards or incompetents in its public schools as teachers. The teacher inevitably has influence. Therefore, the moral fibre of the prospective teacher is all important. *It is the policy of the Institution to ask the withdrawal of students whose conduct is not exemplary, who have demonstrated their inability to do the class work of the Teachers College, or who have shown weakness in student teaching.*

**DORMITORY REGULATIONS.** There are inevitably many regulations that pertain to the dormitory life of students. They are fully explained to students at the College. The authorities feel that there is not a single unreasonable regulation regarding dormitory life. If there be one, the authorities will gladly change it.

**RELIGIOUS INFLUENCES.** This College is not denominational in any sense. Its authorities, however, aim to make it a place of positive Christian influence. To this end, students are expected to attend the church of their own choice on Sunday mornings.

The Y. M. C. A. and the Y. W. C. A. aid in the religious culture of all students in the Institution. Endeavor is made to promote Sabbath observance. Students are thus encouraged to become Christian workers, and school life is made to minister to the elevation of Christian life. Besides these associations, there are various others of a practical type and in a highly prosperous condition. There is a Vesper Service each Sunday evening which all boarding students attend. A fine recreational room has been set apart for the boys under the control of the Y. M. C. A.

GYMNASIUM AND CLARK HALL

## STUDENT ORGANIZATIONS

**LEONARD LITERARY SOCIETY.** The Literary Society has a membership of nine hundred students. The meetings are held every Monday evening at seven o'clock in the College Auditorium. Interest in these meetings is stimulated in one way only; through excellence of programs. Many one-act plays are presented by the members. The greatest possible number of students participate in these and other performances so that skill and originality in program building as well as ease in public appearances may be developed.

A small annual fee is charged each member, which makes it possible to present each year some of the best professional literary talent. This talent has recently included the English poet, Alfred Noyes; the internationally applauded Ruth Draper, in her famous character sketches; Charles Rann Kennedy, playwright and actor, and Edith Wynn Matthison, a Shakespearean star; the artistic reader of ballads, Sydney Thompson; Phidelah Rice, and Henry L. Southwick; Mr. E. H. Southern; Tony Sarg's Marionettes; Cornelia Otis Skinner; Admiral Richard E. Byrd; Carola Goya; George Russell; the Abbey Players of Dublin; the Jean Gros' French Marionettes; Upton Close; Ruth St. Denis; Dorothy Sands, and William Beebe.

**SORORITIES.** Five national professional educational sororities have chapters on the campus: Alpha Sigma Alpha, Sigma Sigma Sigma, Delta Sigma Epsilon, Alpha Sigma Tau, and Pi Kappa Sigma. Only students who have completed sixteen semester hours of work with a "C" grade average and no failures are eligible for membership. The sorority life offers opportunities for the growth of congenial friendships and the fostering of the highest ideals for womanhood. Broadening contacts are furnished through association with alumnae members and inter-collegiate affiliations.

**FRATERNITIES.** Five national fraternities of professional character now have chapters at Indiana. The Phi Alpha Zeta Fraternity was organized as a national educational and social fraternity June 4, 1927. Alpha Chapter had been active on the campus as a local organization since 1908. A chapter of Phi Sigma Pi, a national educational fraternity, was established at Indiana April 30, 1929. It took the place of the Omega Chi Fraternity, a local organization founded in 1909. The Alpha Chapter is at Kirksville, Missouri. Pi Chapter of Sigma Tau Gamma, a national educational and social fraternity was established on November 8, 1930. The Alpha Chapter is at Warrensburg, Missouri.

In 1928, a chapter of Alpha Phi Gamma, a national honorary journalistic fraternity, was established on the campus. Its purpose is, "To unite in a congenial group, students who are interested in the higher forms of journalism." Membership is open only to those who have served on the staffs of college publications and who maintain a high scholastic standing. The Beta Gamma Chapter of Kappa Delta Pi, an educational honor fraternity open to both men and women, was inaugurated in 1928. Only Juniors and Seniors of high scholastic attainments are considered for membership.

**OTHER ORGANIZATIONS.** In addition to the activities listed above the following regular organizations have been approved and function very actively throughout the year on the campus: Alpha Omega Geographers Club, Intermediate Club, Secondary Education Club, Lincoln Debating Team, Mathematics Club, Men's Fellowship Club, Mother Goose Club, Newman Club, Prigrind Club, Poetry Club, American College Quill Club, Science Club, Astronomy Science Club, Sci Hi, Social Science Club, Travelers Club, Y. M. C. A., Y. W. C. A. and many others.

The organizations within the special departments are listed under those departments.

### GENERAL INFORMATION

**LAUNDRY.** The laundry of all Boarding Students—to the extent of ten plain pieces per week, plus towels and napkins—is done in the college laundry. All pieces sent to the laundry must be plainly marked with the owner's name. Name tapes sewed on articles of clothing constitute the best identification. A laundry bag should be owned and used by every student.

An excellent laundry and ironing room with up-to-date equipment is maintained in the basement of John Sutton Hall for the free use of women students.

**SUPPLIED BY STUDENTS.** All students who live in school dormitories and all students who are assigned to rooms at private homes must provide themselves with blankets and comforts as the college and house mothers furnish only the linen and counterpanes. Such students must also provide window curtains, soap, towels, and needful toilet articles.

All students who take meals in the college dining room should bring with them an adequate supply of table napkins.

**STATE SCHOLARSHIPS.** Holders of State Scholarships may attend State Teachers Colleges and use the scholarship award toward meeting their expenses.

**PHYSICAL EDUCATION.** The elective system of activities, comprising a major part of the Physical Education program, permits upper classmen to participate in healthful physical activity beyond the prescribed work.

The following gymnasium and pool equipment has been adopted, and should be purchased in the College Book Room:

Gymnasium costume requirements for girls will be 2 gymnasium blouses, 1 blue cotton knicker bloomer, 2 pair white cotton hose, 1 pair gymnasium shoes, 1 worsted tank suit, 1 swimming cap.

For boys, the costume will be 2 white cotton jerseys, 2 white running pants, 1 pair light wool socks, 1 pair gymnasium shoes (Keds), 1 worsted tank suit.

Some students may wish to use the swimming cap they already possess. The following colors will be required: for beginners, red; for those who swim a little, green; for the swimmers, blue; and white for the life-savers.

**VACATION CHARGES.** Students remaining at the school during Thanksgiving, Christmas, Easter or Summer Recess will be charged at the transient rates.

**GUESTS.** Students and teachers are responsible for meals of their guests at current transient rates. All visitors staying in the college buildings over night must be registered with the Dean of Women by the person or persons entertaining them. This privilege applies only to young women of school age. Students may accompany mothers or older relatives to the hotel for meals or over night, arrangements having been made in advance with the Dean of Women. The buildings are closed to guests at 11 P. M.

**HOW ROOMS ARE ASSIGNED.** Students in school at the close of any school year have rooms assigned to them as follows: if girls desire to keep the rooms they have, these rooms are assigned to them. At a meeting the remaining rooms are put up in order of desirability. If two or more groups of girls desire the same room the groups draw lots for it. This process continues until all girls in school are assigned to rooms for the following year.

Entering students are assigned to rooms in the order in which their applications are received and as nearly in accordance with their preference as possible.

**HOW TO SECURE ROOM ASSIGNMENT.** All entering boarding students are required to pay \$10.00 in advance for the reservation of a room. This is due when the Application and Personnel Record is made out. (This will be sent on request to any prospective student). This amount is credited on the following semester's contingent fee. Students in school at the end of any year who reserve rooms for the following year must pay the Room Reservation Deposit by July 1st or their assignment to a room is cancelled and they take their place on the list of entering students. Students are not permitted to room alone except as indicated on page 23.

Advance Reservation Deposits will be returned to students provided they notify the college three weeks before the opening of the semester of their intentions not to attend.

Rooms are not held for students beyond the first day of the semester or term unless arrangements have previously been made.

**CAP AND GOWN.** The regulation cap and gown, sanctioned by the Intercollegiate Bureau and Registry of Academic Costume, are worn by Degree Seniors of this College, upon the proper occasions.

**ALUMNI ASSOCIATION.** Since its organization the school has graduated nearly nine thousand students from its various curricula. The love and devotion of these alumni is an important factor in the

future development of the institution. At the annual meeting last May the constitution of the Alumni Association was changed so that it is now organized on a representative basis with the local unit in each community sending its representatives to the meetings of the executive council which meets three times each year. In this way it is hoped that every graduate of the school may be brought into relationship to the school through membership in an active local unit.

## ATHLETICS

Clean wholesome athletic rivalry has a place in life, therefore a place in the preparation of teachers. Indiana has no inducements of any kind to offer athletes, except the studies of the school and the social and developmental values that accrue from participation in well-coached competitive games.

College football, basketball, baseball, track and tennis are maintained for the boys. The college sport for girls is tennis. Swimming teams for both boys and girls are now possible because of the pool in the gymnasium.

Intramural athletics are emphasized at Indiana. This form of athletics makes possible the selection of college material, and gives all students a chance to learn the fundamentals of the major sports, as well as to derive the physical, mental, and social benefits of organized team play.

The Women's Athletic Association has charge of the intramural program for the girls. Its aim is to interest each girl in some sport and it therefore offers activities of all types ranging from individual hiking, swimming, horse-shoes, track and field, tennis, volley-ball to field-hockey, basketball and baseball.

Indiana believes thoroughly in athletics as a means to an end—but not as an end in itself. Every student is given an opportunity to participate in athletics for the value it will be to him.

## SUGGESTIONS FOR ENTERING STUDENTS

PRELIMINARY, The prospective student should send for an application blank. This blank should be properly filled out and returned with the "Room Reservation Deposit" of ten dollars. Rooms are assigned in the order in which applications are received.

The trunks are delivered in the basement of John Sutton Hall. Students identify their trunks and place their room number thereon. Porters deliver the trunks directly to the students' rooms. Students living outside of the building mark their trunks with the street address and the college dray delivers them.

The time between terms is very short for getting the dormitories again in readiness for students. For this reason the residence halls are not open until the opening day.

**FRESHMAN MEETING.** All new students will report for registration, classification and other activities, Monday, September tenth. A general meeting of all Freshmen will be held in the Auditorium at 7:30 p. m. that evening.

**ON ARRIVING AT INDIANA.** All Pennsylvania Railroad trains stop at the campus on the opening day. The college is about ten minutes walk southwest of the Pennsylvania station and the Interurban station and about the same distance southeast of the Baltimore and Ohio station.

The following suggestions will prove helpful:

1. Take all baggage checks to the College Book Room and pay for the delivery.
2. See the Registrar and pay your fees. (In the Library).
3. See the Dean of Women (or Men) and get your room.
4. Get your program made out. The place will be indicated in the "directions" handed to the students on registration day.
5. Books are secured at the College Co-operative Book Room. Please do not endeavor to obtain books until classes have met and a correct list of books needed has been made out.
6. Credits are evaluated by the Dean of Instruction.
7. The President's office is always at your service.

**YOUR PART.** The Indiana State Teachers College maintains a high standard of excellence both as to scholarship and as to attainment of skill in teaching. This high standard is possible only by earnest work on the part of the students. Those who enter the Indiana State Teachers College should understand that opportunity entails responsibility and that only earnest, conscientious students are desired. Indiana definitely limits the amount of extra work which any student may carry to three semester hours beyond the regularly specified amount, and the privilege of taking this is granted only to students of exceptional ability.

**VISITS.** Success demands concentration of thought. This is prevented by frequent visits at home or elsewhere, and usually time thus spent greatly hinders the progress of the student. The student must decide between sacrificing his school work and limiting the number of his visits.

**ELECTRICAL AND HEATING APPARATUS.** Students are not permitted to use or to have stoves, electric irons or heaters or cookers, or any preparation for producing fire or heat in their rooms. The school provides facilities for laundry work, and a "Candy Kitchen" for whatever cooking is necessary for "spreads".

**THE RIGHT ATTITUDE.** It is the school's interest and purpose to serve you, but this it can do but poorly unless you conform to the life of the Institution. Make up your mind to get all the good out of school you can. Come with the purpose of being happy in your work, of getting acquainted and entering heartily and cheerfully into the complete life of the college, making it all yours.

## FEES, DEPOSITS, REPAYMENTS

### A. FEES

#### I. STUDENT ACTIVITY FEE:

A fee to be determined by each institution will be collected from all students and administered under regulations approved by the Board of Trustees through a cooperative organization. This fee will cover the cost of student activities in athletics, lectures, entertainments, student publications, et cetera.

This fee for 1934-35 will be \$5 per semester, for Indiana State Teachers College.

#### II. CONTINGENT FEE:

##### 1. *Regular Session*

A contingent fee for each student in each curriculum is charged as follows:

	<i>Half Semester</i>
Elementary Curriculums . . . . .	\$18.00
Secondary Curriculum . . . . .	18.00
Art . . . . .	27.00
Commercial Education . . . . .	21.00
Health Education . . . . .	27.00
Home Economics . . . . .	36.00
Industrial Arts . . . . .	27.00
Musie . . . . .	54.00

This fee covers registration and keeping of records of students, library, student welfare, health service (other than extra nurse and quarantine) and laboratory facilities.

##### 2. *Summer Session*

###### (a) Five dollars per semester hour.

A minimum contingent fee of fifteen dollars (\$15.00) will be charged.

###### (b) Contingent Fees—Special Curricula

In addition to the above fees students in the special curriculums will be required to pay a fee to cover the cost of materials, supplies, equipment, and special services used in the laboratories, shops or studios of the special curriculums. These additional contingent fees will be as follows:

Art . . . . .	\$ 6.00
Commercial Education . . . . .	2.00
Health Education . . . . .	6.00
Home Economics . . . . .	12.00
Industrial Arts . . . . .	6.00
Musie . . . . .	24.00

#### III. HOUSING FEE:

##### 1. *Housing rate for students*

The housing rate for students shall be \$68.00 per one-half semester and \$42.00 for the Summer Session. This includes room, meals and limited laundry.

- (a) For rooms with running water an additional charge of \$9.00 per student per semester, or \$3.00 for the Summer Session may be made.
- (b) No reduction in the rate is to be made for laundry done at home nor for absence of students who go home for a few days at a time.
- (c) A student may, at the discretion of the President of the College, occupy a double room alone by paying an additional \$36.00 a semester or \$12.00 for the Summer Session.
- (d) For the purpose of meeting the requirements in those colleges where off-campus rooming students board in the college dinning room, and to meet the requirements of the Home Management Clubs in the two institutions maintaining home economics curriculums, the housing rate shall be divided \$2.00 for room rent and \$5.00 for table board.

2. Housing rate for employees other than those included in the State Classification Schedule (faculty, clerks, etc.) shall be \$9.00 per week.

3. The rate for transient meals shall be:

Breakfast, \$.40; Lunch, \$.40; Dinner, \$.50

#### IV. DAMAGE FEE:

Students shall be responsible for damages or breakage or loss, or delayed return of college property.

#### V. INFIRMARY FEE:

After three days in the college infirmary, the college shall charge an additional \$1.00 for each day.

Day students who may be admitted to the infirmary shall pay board at the rate of \$2.00 a day. This charge includes the regular nurse and regular medical service, but does not include special nurse or special medical service.

#### VI. ISOLATION HOSPITAL FEE:

If the college maintains an Isolation Quarantine Hospital for contagious diseases, the college shall charge \$10.00 per week additional, but this service charge does not include trained nurse or special medical service.

Day students, who may be admitted to the Quarantine Hospital shall pay the board rate of \$2.00 a day (see V above), and in addition shall pay \$10.00 a week, but this additional charge does not include trained nurse or special medical service.

#### VII. TUITION FEE:

Students whose residence is out of the State shall be charged a fee of \$105.00 per semester; \$35.00 per Summer Session. (It is understood that this fee has been operative since June 1, 1929, for entering students only.)

Out-of-State students shall pay the contingent fee in addition to the tuition fee.

**VIII. PRIVATE INSTRUCTION FEES:**

The charge for private lessons in music, in the State Teachers Colleges maintaining the special curriculum in music, shall be:

1. Voice, piano, band or orchestral instruments, \$24.00 per semester—for one lesson per week.  
Pipe organ, \$42.00 per semester—for one lesson per week.
2. Rental of piano for practice, 1 period per day, \$6.00 per semester.  
Rental of pipe organ for practice, 1 period per day, \$36.00 per semester.  
Rental of band or orchestral instruments, \$6.00 per semester.  
(For summer session the charge is one-third of above rates.)
3. The charge for private lessons in music in the State Teachers Colleges not maintaining the special music curriculum shall be fixed as follows:

The Board of Trustees of a State Teachers College not offering the special curriculum in music, may, subject to the approval of the Superintendent of Public Instruction, enter into contract with individuals to give private lessons in music in order to afford an opportunity for students to continue their musical education. Such agreement shall provide reasonable reimbursement to the institution for any service or overhead supplied by the institution.

**IX. DEGREE FEE:**

A fee of \$5.00 shall be paid by each candidate for a degree to cover the cost of degree diploma.

**X. RECORD TRANSCRIPT FEE:**

One dollar (\$1.00) shall be charged for the second and each subsequent transcript of records.

**XI. DELINQUENT ACCOUNTS:**

No student shall be enrolled, graduated or receive a transcript of his record until all previous charges have been paid.

**B. DEPOSITS****ADVANCE REGISTRATION DEPOSIT:**

A deposit of \$10.00 shall be made by all students when they request registration. This is a guarantee of the intention of the student to enter college for the term or semester designated. It is deposited with the Revenue Department to the credit of the student's contingent fee. If, however, the student notifies the college at least three weeks before the opening of college that he is unable to enter, or if the student is rejected by the college, repayment of this deposit will be made through the Department of Revenue, on application from the student through the college authorities.

Check or money order for this amount must be drawn to the Commonwealth of Pennsylvania.

### C. NO OTHER FEES OR DEPOSITS PERMITTED

No fees or deposits, other than as specified above may be charged by a State Teachers College.

### D. REPAYMENTS

#### I. REPAYMENTS WILL NOT BE MADE:

1. To students who are temporarily suspended, indefinitely suspended, dismissed, or who voluntarily withdraw from college.
2. For any part of the advance registration deposit for any causes whatsoever except where students give notice of intention to withdraw at least three weeks before the college opens or when the student is rejected by the college.

II. A repayment will be made for personal illness, the same being certified to by an attending physician, or for such other reasons as may be approved by the Board of Trustees for the amount of the housing and contingent fees paid by the student for the part of the semester which the student does not spend in college.

III. The advance registration deposit will be returned to students provided they notify the college not less than three weeks before the opening of the semester or term of their intention not to attend, or provided the student is rejected by the college.

In addition to the fees the average student will require approximately \$50.00 for books, gymnasium costume, student organization dues, etc.

### TIME OF PAYMENT

June 18, payment in full of all summer session fees.

September 10, payment for the first half of first semester.

November 12, payment for second half of first semester.

January 23, payment for first half of second semester.

March 25, payment for second half of second semester.

### HOW TO PAY BILLS AND CHARGES

All bills, including Contingent Fee, board, room and laundry, extra room rent, special department fees, are payable at least nine weeks in advance. Book Room business is on a cash basis.

Students will not be permitted to enroll for the second semester, or any later semester, until all bills previously incurred have been paid, nor will credit be certified to other institutions or to the Department of Public Instruction until all accounts due have been paid.

Students desiring to leave school before the close of a semester must report to the President and settle all unpaid accounts.

Meal tickets for visitors can be obtained in the office of the Dietitian or in the Business Office.

All checks should be made payable to the Commonwealth of Pennsylvania, with the exception of the Activity Fee and this should be made payable to Doctor C. R. Foster, President.

# PART II.

## *Curricula Offered at Indiana*

### REQUIREMENTS FOR ADMISSION

### PREPARATION FOR TEACHING IN THE ELEMENTARY AND SECONDARY SCHOOLS:

Kindergarten—Primary Curriculum

Intermediate Curriculum

Rural Curriculum

Secondary School Curriculum

### PREPARATION FOR TEACHING IN SPECIAL FIELDS:

The Art Curriculum

The Business Education Curriculum

The Home Economics Curriculum

The Music Curriculum

### THE SUMMER SESSION

REQUIREMENTS FOR ADMISSION

The following requirements were adopted by the Board of Teachers College Presidents, May 13, 1932. Five general bases for admissions were set up.

- 1. General Scholarship
- 2. Character and Personality
- 3. Health and Physical Vigor
- 4. English Fundamentals and Psychological Tests
- 5. A Personal Interview

Candidates for admission must satisfy these five general requirements in detail as outlined below:

1. General scholarship as evidenced by graduation from an approved four-year high school or institution of equivalent grade, or equivalent preparation as determined by the Credentials Division of the Department of Public Instruction, and ranking in the upper half of the class at graduation. Candidates for admission who lack this rank at graduation will be required to present further evidence of fitness.

a. Applicants ranking in the upper half of their graduating class in high school will be admitted on certificate without further evidence of general scholarship.

b. Applicants who do not rank in the upper half of their graduating class may be admitted on probation, provided:

- 1. They are recommended by their high school principal as being able to do creditable college work, and
- 2. Appraisal of the detailed high school record indicates to admission authorities of the college that the candidate can do satisfactory college work. Whenever available candidates are urged to present to the admission authorities cumulative records of high school work such as were used by the Carnegie Foundation in the Pennsylvania Study, and

3. A rating satisfactory to the institution is made on a scholastic aptitude test administered at the college.

Applicants satisfactorily meeting the requirements 1, 2, and 3 above will be admitted for one semester on probation. At the end of the probationary period such students will be required to withdraw from the college unless they meet the required standard of scholarship.

2. Integrity and appropriate personality as shown by an estimate by secondary school officials of the candidate's trustworthiness, initiative, industry, social adaptability, personal appearance and sympathy.

a. The estimate of the secondary school official will be recorded by a check mark in the appropriate column of a three point rating scale as follows:

Trustworthiness  
Initiative  
Industry  
Social Adaptability  
Personal Appearance  
Sympathy

Low	Middle	High

- b. This will be included as a part of the high school record blank.

3. Health, physical vigor, emotional stability, absence of physical defects that would interfere with the successful performance of the duties of a teacher and absence of predisposition toward ill health as determined by a medical examination at the college.

- a. All applicants for admission shall present a certificate of examination signed by a physician legally qualified to practice medicine in the Commonwealth of Pennsylvania. Forms for the examination will be furnished by the college. This medical examination will be checked by the examining physician at the college and students may be required to undergo a complete re-examination.

- b. Applicants may be rejected for the following reasons:

1. Incurable defects or diseases of the heart, lungs, kidneys, digestive system, nervous system, including hysteria, epilepsy, nervous instability, skin, organs of the special senses, thyroid.
2. Defective vision of marked degree.
3. Permanently impaired hearing.
4. Marked speech defects.
5. Unsightly deformities.
6. Marked obesity.

Students with remedial defects may be accepted on condition that immediate treatment be undertaken for the removal of these defects.

4. Normal intelligence and satisfactory command of English as evidenced by ratings in standard tests. The tests to be used will be prescribed each year by the Board of Presidents and will be uniform for all State Teachers Colleges.

5. A personal interview with particular attention to personality, speech habits, social presence, expressed interests of the applicant and promise of professional development.

- a. The personal interview is to serve two purposes:

1. It is to give the examining committee of the college an opportunity to select from the applicants for admission those persons who give promise of becoming desirable teachers.
2. It is to take an inventory of the personal characteristics of the applicants who are admitted, making this inventory available to instructors and officers concerned with personnel work in the college.

- b. The interview will be conducted at the college or other places and at times designated by President of the college.

## ADVANCED STANDING

Advanced credit will be given for equivalent courses completed in approved institutions of collegiate grade, but no student may obtain a certificate or degree without a minimum residence of one year in this college. A student transferring from another college will be required to present a statement of honorable dismissal from the college which he leaves and to meet the same entrance requirements as any other applicant.

## CORRESPONDENCE AND EXTENSION WORK

No credit can be given for correspondence or extension work toward the two-year certification unless such work was completed previous to September, 1926. Credit for extension work in certain subjects up to a total of not to exceed eighteen semester hours may be accepted toward the requirement for a degree. No correspondence work is accepted.

## GRADES AND QUALITY POINTS

- "A" Indicates an excellent grade of work.
- "B" Indicates a good grade of work.
- "C" Indicates a fairly satisfactory grade of work.
- "D" Indicates a low grade of passing work.
- "F" Indicates a failure and no credit shall be given for the course so marked until it has been repeated in the regular way.
- "I" Is given to students who because of absence on account of personal illness or other entirely satisfactory reason have been unable to complete the required work, but who have been doing in general a satisfactory type of work. This mark must be removed within one month after the student returns to school or it will become a failure. Upon completing the required work the student may receive any mark to which the teacher feels he is entitled.

A SYSTEM OF QUALITY POINTS has been established as follows:

1. There are required for graduation a number of quality points equal to the number of semester hours of credit required in the course being pursued. Students who receive advanced standing are required to have one quality point only for each semester hour that is done in this school.

2. An "A" mark gives 3 quality points for each semester hour of credit so marked; a "B" mark gives 2 quality points for each semester hour of credit so marked; a "C" mark gives 1 quality point for each semester hour of credit so marked; and a "D" mark gives 0 quality points. This means that a student must secure at least a "C" average in order to graduate.

## COMMENCEMENT EXERCISES

Three Commencements are held each year, at the close of the second semester, at the close of the summer session, and at the close of the first semester. Only those students who have completed all requirements for graduation will be permitted to take part in any given Commencement.

## REQUIREMENTS FOR GRADUATION AND CERTIFICATION

Every student entering the Pennsylvania State Teachers College, Indiana, selects one of the eight degree curricula offered at this institution. All curricula are definitely four years in length and all lead to the degree of Bachelor of Science in Education or in some specific field of education and entitle the graduate to the College Provisional Certificate in the appropriate field.

Students entering the Kindergarten-Primary, Intermediate, or Rural Curriculum who feel unable to remain more than two years *may*, during the first year, ask to be allowed to do student teaching during the second year of attendance. So far as practice teaching facilities will permit such applicants may have their programs for the second year so arranged that they can secure practice teaching and other courses required for immediate certification. When these students have met the requirements of two full years of work on a degree curriculum, as modified for certification, they may receive a State Standard Limited Certificate which entitles the holder to teach in the elementary schools of the State for a period of three years. During that time the holder of the certificate must secure at least twelve additional hours of approved credit toward the degree in his field. His certificate will then be renewed for three years and within this period he will be expected to secure his degree.

Graduation from the Kindergarten-Primary, Intermediate, or Rural four-year curriculum will entitle the graduate to receive the degree of Bachelor of Science in Education and the College Provisional Certificate which entitles the holder to teach in the elementary grades for a period of three years. During that time the holder must secure six semester hours of approved preparation. Upon completion of these and three years of satisfactory teaching in the public schools of the Commonwealth the College Provisional Certificate is changed to a Permanent College Certificate.

Students in the Secondary Curriculum select two major fields from the list on pages 40 and 41.

All persons who have completed the work of the two-year Kindergarten-Primary or Intermediate Curriculum are admitted to junior standing for a degree, provided they are graduates of an approved, four-year high school. The exact number of hours credit granted will depend upon the curriculum which the student has completed and the one in which he wishes to secure his degree. Those who become candidates for the degree in the elementary field will secure two full years' credit, but those who transfer to the secondary field will lose some credit, usually from four to ten hours.

All credits for work less than that required at a State Normal School for graduation between September, 1920, and September, 1926, shall be evaluated by multiplying the number of semester hours already earned by .85.

All persons who were graduated from a State Normal School prior to September, 1920, and who have had a four-year high school preparation, cannot be awarded more than 64 semester hours of credit for their normal school work prior to graduation.

Students who were graduated from the State Normal Schools before four years of high school preparation was required, and who still lack this requirement, may apply to the Credentials Bureau, Harrisburg, Pennsylvania, for a high school equivalent certificate, which, when issued by the Credentials Bureau, will be accepted by the State Teachers Colleges as equivalent to graduation from a four-year high school and all credits earned at a State Normal School prior to September, 1926, will be evaluated as indicated above.

Former graduates of a two or three-year curriculum at the State Teachers College, Indiana, who become candidates for a degree from this school, must do at least one-half the work required beyond previous graduation at Indiana. An amount up to one-half the required work may be transferred from other accredited schools provided the courses pursued are the same or equivalent to the required courses here. Not to exceed 18 semester hours of approved work may be taken in extension classes. Correspondence courses are not accepted.

EAST TERRACE — SUTTON HALL

## ARRANGEMENT OF COURSES BY SEMESTERS

Subject to Modification for Administrative Purposes

## FOUR-YEAR CURRICULUM FOR GROUP I

Kindergarten and Primary Grades 1, 2, 3

FIRST SEMESTER		<i>Class Hours</i>	<i>Semester Hrs.Credit</i>
*Introduction to Teaching . . . . .		3	3
(Include social guidance on the campus)

## FOUR-YEAR CURRICULUM FOR THE PREPARATION OF TEACHERS FOR THE SECONDARY SCHOOL

The State Teachers College at Indiana has for some time given special attention to the important work of preparing teachers for High Schools. In the course leading to the degree of Bachelor of Science in Education for the Secondary field careful provision is made for the preparation of thoroughly qualified teachers for all fields of secondary school work. A study of the following curriculum and the list of electives on pages 40 and 41 will show that it provides these important features: a broad general foundation in the field of secondary education; a thorough grounding in the science of education; from twenty-four to thirty-six hours of intensive study in each of two fields of high school work; and lastly, a full semester's practice teaching under expert supervision in the fields of the student's choice. This combination produces a teacher who is not merely a subject-matter expert but who knows the sciences that lie back of successful teaching and has had a chance to apply these sciences under expert guidance.

The demands for teachers from this department has been increasing steadily as superintendents and school boards come to realize the value of four years of real professional training for the specific work to be done. It offers splendid opportunities for young men and women who wish to enter the field of teaching in Junior and Senior High Schools, no matter what their plans for later teaching may be. It is especially recommended to those young men who have the personal and intellectual qualities to fit them for the splendid opportunities that are now offered in the administrative and supervisory fields of public education.

### FOUR-YEAR SECONDARY CURRICULUM Preparation of Teachers for Secondary Field

FIRST SEMESTER		<i>Class</i>	<i>Semester</i>

\* Core subjects common to all Curricula.

N. B.—Common to all Curricula but differentiated content.

REQUIREMENTS FOR GRADUATION AND CREDENTIAL

The credential to be awarded on the completion of the 128 semester hours of the foregoing curriculum is the degree of B. S. in Education and a College Provisional Certificate which entitles the holder to teach in any public high school any subject in which he has earned 18 or more semester hours of credit approved for certification and the subjects of the elementary curriculum in the seventh and eighth grades. After three years of successful teaching and the completion of six semester hours of additional training, the College Provisional Certificate is changed to a College Permanent Certificate.

ELECTIVE FIELDS FOR PROSPECTIVE HIGH SCHOOL TEACHERS

The person who is to teach successfully in the Junior or Senior High School must have *in addition to what has been prescribed*, a special preparation of 18 semester hours in each of two elective fields in accordance with the requirements indicated below. There are electives in seven fields.

ELECTIVE ARRANGEMENT OF FOUR-YEAR SECONDARY CURRICULUM

ENGLISH		MATHEMATICS	
*Philology and Grammar	3 — 3	*Mathematical Analysis (a practical course in Algebra, Solid Geometry, Trigonometry, Analytical Geometry, the Differential and Integral Calculus.)	15—15
*Contemporary Poetry...	3 — 3	Mathematics in the Junior and Senior high school...	3 — 3
*Intensive Course in Shakespeare	3 — 3	College Algebra...	3 — 3
*Modern Novel...	3 — 3	Introduction to the Theory of Statistics	3 — 3
Short Story	3 — 3	NOTE: To elect Mathematics a student must present three high school units of Mathematics of which units Algebra and Plane Geometry must have been taken in the Senior High School.	
Victorian Prose and Poetry (Include Essay)...	3 — 3		
Foreign Classics	3 — 3	SOCIAL STUDIES	
Pre-Shakespearean Literature	3 — 3	*Early European History	3 — 3
FOREIGN LANGUAGES		*Modern European History	3 — 3
*In French, or Latin, after two years High School		*American History to 1865	3 — 3
French, or three years High School Latin	18—18	*Social and Industrial History of U. S.	3 — 3
GEOGRAPHY		Political Science	3 — 3
*Geography of U. S. and Canada	3 — 3	The Origin of Social Institutions	3 — 3
*Geography of Europe...	3 — 3	History of Latin America	3 — 3
*Geography of Latin America	3 — 3	Economics	3 — 3
*Geography of the Pacific Realm	3 — 3	*Subjects marked with a star in each field are to be taken if this field is chosen. The remaining six semester hours are to be chosen from the list of electives not marked with a star.	
Physiography	3 — 3		
Economic Geography	3 — 3		
Geographic Influence in American History	3 — 3		
Climatology and Meteorology	3 — 3		

EAST WALK

## SCIENCE

ab Botany I . . . . .	3 — 3	b Physiology . . . . .	3 — 3
ab Zoology I . . . . .	3 — 3	b Anatomy . . . . .	3 — 3
adc Chemistry . . . . .	6 — 6	b Botany II . . . . .	3 — 3
ac Physics . . . . .	6 — 6	b Zoology II . . . . .	3 — 3
c Astronomy . . . . .	3 — 3	dc Qualitative Analysis..	3 — 3
c Physiography . . . . .	3 — 3	dc Quantitative Analysis.	3 — 3

a, Gives certification in the field of Science; b, Gives certification in the field of Biological Science; c, Gives certification in the field of Physical Science. Chemistry and Physics are required. 6 s. h. to be elected from the remaining 12 s. h. marked c; d, Gives certification in the field of Chemistry provided the 6 s. h. of free electives are chosen from the field of Chemistry.

NOTE: To elect Science a student must present one unit in Physics and one unit in Chemistry.

## DEPARTMENT OF BUSINESS EDUCATION

OPPORTUNITIES. The State Department of Public Instruction has especially designated State Teachers College, Indiana, Pa., as one in which teachers of business for the high schools of the State may be trained. The curriculum is four years in length, leading to the degree of Bachelor of Science in Education. Those who complete the work as outlined are prepared either to supervise or teach any or all of the business subjects found in any of the high schools of the State, and are certified accordingly.

A wonderful opportunity is available here for men and women of high caliber who possess the ability and ambition requisite for success in this type of work.

ENTRANCE REQUIREMENTS. Entrance requirements are the same as for other departments. Graduates from the Department of Business will find their places eventually in positions of much responsibility in the larger high schools. This suggests that only those who possess the ability, ambition, personality, and aptitudes requisite for success in such professional work and who have proved themselves in high school, should apply for entrance to the Department of Business.

We are prepared to accept a few mid-year high school graduates each January. Arrangements for entering at that time should be made well in advance. This also applies to those entering in September.

Graduates from any of the high school curriculums are eligible, and rank alike upon entering.

We meet every requirement laid down by the State Department of Public Instruction for teaching in the high schools of the State. We grant a fully-accredited degree recognized by the graduate schools of leading universities.

ADVANCED STANDING. Any applicant who contemplates making application for entrance to the Department of Business, who has had the equivalent elsewhere in a recognized school of college grade of any

of the work outlined in our curriculum, may make application for advanced standing. Such application should be made as soon as convenient to the Director of the Department of Business Education.

**EQUIPMENT.** The Department of Business is well equipped throughout with a full supply of all modern office machines. Adding machines, calculating machines, banking machines, multigraphs, mimeographs, mimeoscopes, addressographs, dictaphones, files and cabinets, and other up-to-date efficiency devices of modern business give the students a practical knowledge of the time-savers found in modern offices. Their uses are taught and mastered in this Department. Our students become very proficient in the manipulation of such machines before graduation.

**BUSINESS PRACTICE DEPARTMENT.** Our Business Practice Department is a complete business community in itself, and includes not only the procedure but also the actual atmosphere and environment of modern business. It is equipped for efficient and up-to-date work. Much practical business experience may be procured in our Practice Department.

**PRACTICAL EXPERIENCE REQUIREMENTS.** These requirements are a vital and necessary part of the prospective teacher's preparation and are in addition to the courses outlined in the curriculum. Credit is given for actual business experience previously procured and also for that acquired in our own Business Practice Department. The requirements are as follows:

1. Two months of Store Practice at places and under conditions approved by the Director of the Department.
2. Two months of Secretarial Experience at places and under conditions approved by the Director of the Department.
3. Two months of Bookkeeping or Clerical Practice at places and under conditions approved by the Director of the Department.

**PRACTICAL TEACHING.** Each student in training in the Department of Business procures more than the State requirement in hours of actual practical teaching and observation. We conduct a number of teaching centers in connection with some of the largest high schools within convenient reach. To those teaching centers our students are sent for one full semester for their practice teaching. The teacher holds a regular position in the high school and carries a full program of classes and extracurricular activities. The work is supervised and criticized by our own experienced supervisors and critics and also by supervisors furnished by the teaching centers. Everything is done to afford those in training as much actual teaching experience and school contacts as possible before graduation.

**THE TEACHER PLACEMENT BUREAU.** A very efficient Teacher Placement Bureau is conducted in connection with the Department of Business for the purpose of obtaining suitable teaching positions for our graduates, and also for promoting the interests of those of our number who have been teaching for a year or more and who have made good records and desire a change. No charge whatever is made for the services rendered by this Bureau.

**DEPARTMENT CO-OPERATION.** It is desired that the Department of Business shall serve as a clearing house of commercial ideas for all the commercial teachers of the State, no matter where the teachers receive their training. This is a State School—not a private institution. Our interests are in the commercial education of the entire State and Nation and are not limited to this one institution.

**THE CHAMBER OF COMMERCE.** There is organized, in connection with the Department of Business, a Chamber of Commerce. Frequent opportunity is afforded for public discussion and debate on current, popular topics applicable to the work. This organization fosters the formation and conduct of the commercial clubs of the high schools, wherever the assistance is desired. The officers of the Chamber of Commerce are elected from the members of the student body of the Department of Business. The work is supervised by a member of the Department of Business Faculty.

**GAMMA RHO TAU.** This is a National Honorary and Professional Business Education Fraternity for men in commercial teaching. The purpose of the fraternity is to promote high grade scholarship and character, to encourage a research spirit among its members, to advance the professional attitude of the teacher in the class room and to forward the democratic ideal in education. The qualification for membership shall be good moral character, high scholarship and promise of marked ability as a teacher of business subjects in secondary schools.

**PI OMEGA PI.** This is a National Honorary and Professional Business Education Fraternity for men and women in Business and Commercial Training. The purpose of the fraternity is to encourage high scholarship and high ethical standards in business and professional life, and to emphasize service as the basis of all worthy enterprise. Junior and senior students in the Department of Business who have attained certain required standards in scholarship, character and professional attitude are eligible, upon invitation, to join the fraternity.

**SUMMER SCHOOL.** We conduct a complete summer school of business theory and methods for the benefit of those who have been teaching and who wish to continue for the degree. It is possible under certain circumstances for those who, for economic reasons, drop out before graduation to complete the work through summer sessions. Those interested in the summer school should write for the Summer School Bulletin.

**EXPENSES.** The entire expense for a school year of thirty-six weeks will amount to about \$375.00. This will cover board, room, laundry, books, term fees and department fees. Elsewhere in this catalogue a detailed list of expenses will be found.

**APPLICATION FOR ENROLLMENT.** Enough has been given in these few pages to give you a glimpse into the Department of Business Education.

We accept a definite, limited number of the best-qualified high school graduates each year. Those who desire to make application for entering the Department of Business should get their applications in early, in order to insure a reservation.

For more specific information concerning the work of this Department, write G. G. Hill, Director, Department of Business Education.

## DEPARTMENT OF ART

At Indiana the four-year course with B. S. degree in Art Education prepares students to be supervisors, as well as special teachers of art in senior high, junior high, and elementary schools.

INSTRUCTION. Aside from the art courses, English, science, history, government, education courses, and electives are required so that graduates from this department have broad enough background to be intelligent teachers of their special subject.

Art instruction is given in the following: art structure, design, (including commercial and costume design, and interior decoration); perspective drawing; mechanical drawing; cast drawing; drawing from the draped model and from still life; blackboard drawing; sketching from nature; clay modeling; painting, both in water color and in oil. The curriculum also includes applied and industrial arts, giving practical work in weaving, pottery, textile design, construction, jewelry, leather, and metal. The art history and art appreciation course covers all periods of sculpture, architecture, and painting, including the moderns.

TEACHING AND PLACEMENT. During the senior year each student is required to teach in the Training Department where practical experience is gained from up-to-date methods of teaching art. The Director of the Department in co-operation with the Training School assists graduates to secure positions.

THE STAFF. The fine arts instructional staff consists of seven members each of whom has had wide experience in both public school and college work. Each is a specialist in a particular field and has

made contributions outside of teaching as follows: one a painter and exhibitor with local artists at Carnegie Institute; another a painter and exhibitor in St. Louis and New York City; another has done work in occupational therapy; three are expert in teaching children and in supervision of art either in public or training schools; another has influenced the art education of a whole State. All of this insures a type of instruction marked by unusual breadth, versatility, and awareness of the best that is done in art.

THE ART CLUB. At Indiana there is a live Art Club that numbers all art students and art faculty in its membership. This Club has established itself by the high class of entertainment given not only at its monthly meetings, but for the college at large. Its greatest successes have been a fashion show, a carnival, an art class of fifty years ago, a group of impersonations of public and campus characters and caricatures in living pictures (a take-off on some modern and old masters). Annually the Club gives a bronze medal (The Jean R. McElhaney Award for Excellence in Fine Arts) to the junior or the senior who has three outstanding achievements in three different fields of art.

HOUSING AND EQUIPMENT. The entire second floor of the Arts Building is given over to the art classes. On this floor are six studios, an exhibition and conference room, a rest room, the locker-room, the director's office, and five other offices. On the ground floor facing east campus are the pottery and kiln rooms. The finest equipment, best suited to its purpose, has been installed.

With these facilities and an efficient staff Indiana stands in the foremost rank in Art Education.

## DEPARTMENT OF HOME ECONOMICS

THE HOME ECONOMICS CURRICULUM offers educational preparation for teachers of vocational and general home economics in elementary and secondary schools of Pennsylvania. Graduates of this curriculum receive the degree of Bachelor of Science in Home Economics which is recognized for entrance to graduate courses by all leading colleges and universities. Our graduates receive a Provisional College Certificate valid for any vocational (Smith-Hughes or George-Reed) or general home economics position in the public schools of Pennsylvania. The students in this curriculum minor in English and upon graduation they are certificated to teach English.

The new four-year curriculum in Home Economics requires twenty-one semester hours in science and the State certifies graduates of this department to teach general science.

**ENTRANCE REQUIREMENTS.** The requirements for admission to the Home Economics Department are the same as already specified, except that students must have one high school unit of chemistry. The students should have at least two other units of science, preferably physics and biology. No student should apply who does not meet the chemistry requirements. Students who have had one or more semester's work in other colleges should have a B average before applying for admission to this department.

**SUMMER PROJECTS IN THE HOME ECONOMICS CURRICULUM.** One summer project is required at the end of the freshman and sophomore years. Two projects are required of any student whose need demands them. The purpose of the summer project is to give the student an opportunity to continue work in her weakest subject. Projects are planned by the student with the subject matter teacher and they are checked by her.

A project coming at the end of the junior year is selected by the student, with the advice of the subject matter teacher, in the commercial field. The aim is to have the student take a project related to her home economics curriculum and one for which she receives compensation for her services. A written report of this and the results obtained are given to the subject matter teacher at the opening of the fall semester.

**HOME ECONOMICS EQUIPMENT.** The Home Economics Department is now located on the top floor of the new Arts Building. Here are spacious laboratories, class rooms, dining room, unit kitchen, laundry, store rooms, conference room, rest rooms and offices. The department has been carefully planned to have all the conveniences of modern architecture. The equipment is modern and adequate in every way. Superintendents who are planning home economics departments in new high schools are invited to inspect the equipment and the plan of our laboratories in this new department.

**HOME MANAGEMENT HOUSE (PRACTICE HOUSE).** The Home Management House is located on the campus. It is a large airy house, attractively and appropriately furnished. It has the atmosphere of a comfortable and hospitable home.

**NURSERY SCHOOL.** In connection with the Child Development Course the Home Economics Department has a nursery school which meets one afternoon per week for a period of twelve weeks each semester. Children aged one and one-half years to four years, inclusive, are enrolled in this nursery school. The nursery school is the laboratory for the Child Development Course which is given parallel to Home Management III. It is under the supervision of the instructor in Child Development.

**HOME ECONOMICS CLUB.** Our Home Economics Club is affiliated with the State and National Home Economics Association. This affiliation is a means of keeping informed on club activities of national importance. All home economics students who make application for membership in the club are admitted and enjoy all the rights and privileges on the payment of their dues. The club aims to develop a social interest among the students in the department. It is a means whereby the new student finds friends and help in adjusting herself to college life and in getting acquainted with other activities outside of the department. Through the year the members enjoy together picnics, parties, and dances. One large formal banquet is given for the freshman and sophomores in the first semester. A notable social occasion in the second semester is the "Merry-Go" for the juniors and seniors. At the regular meetings of the club interesting programs are presented under the direction of the club sponsor. Every opportunity is offered to develop initiative, leadership, comradeship, and social adjustment. Membership in two extra-curricular activities each year is required by the college.

**MONTHLY ASSEMBLY.** On the first Friday of each month the home economics students hold their assembly in the college auditorium. Those assemblies are in charge of the students who on their own leadership and initiative conduct appropriate exercises.

**THE PLACEMENT OF GRADUATES.** The Director of the Home Economics Department assists all graduates in obtaining suitable teaching positions. Every effort is made to place the graduate in the community in which she can render her best service.

Graduates of the Department who are teaching and have made good teaching records are given, on application, assistance by the Director when a change in position is desired.

**APPLICATION FOR ADMISSION.** All applicants for admission should file their applications as early as possible. Application blanks may be obtained by writing to the Registrar.

**STUDENT TEACHING.** Student Teaching in Home Economics is now done by our students in the Senior High School and Junior High School in Johnstown, in the Senior High School of Indiana and in the Junior High School of the Training School located on the college campus, Blairsville High School, Elders Ridge Vocational School, and Barnesboro High School.

This work is carefully supervised by Special Home Economics teachers in each center and also by Miss Hower, our college student teacher supervisor.

## THE DEPARTMENT OF MUSIC

The State Teachers College, Indiana, Pennsylvania, is authorized by the State Department of Public Instruction to offer the four-year curriculum for the preparation of supervisors and special teachers of music.

**DEGREE AND CERTIFICATION.** Graduates of the music curriculum receive the degree, Bachelor of Science in Public School Music, and, in addition, the College Provisional Certificate which is a valid license to teach and supervise music in the elementary and secondary schools of Pennsylvania for a period of three years. At the end of three years of successful teaching experience in Pennsylvania and the completion of six semester hours of additional preparation, the College Permanent Certificate is received.

**OPPORTUNITIES IN MUSIC EDUCATION.** The increased recognition of music as a fundamental part of our educational program is serving to emphasize to superintendents and school boards the importance of selecting as the music teacher an individual of strong character and personality and one who has a soundly developed musicianship and a broad educational outlook.

The demand for well prepared teachers capable of forceful leadership in music is such as to offer excellent opportunity for future success to superior high school graduates whose interests and abilities lead them to select the teaching of music as their work.

The State Teachers College at Indiana has the faculty and the equipment to offer and successfully carry out every phase of the public school music program.

**REQUIREMENTS FOR ADMISSION.** Applicants for entrance to the Music Department meet the general requirements for admission as given on pages 28-29.

In addition the applicant should meet the following special requirements which are considered necessary for successful work in the department:

1. The possession of an acceptable singing voice.
2. A special aptitude in such matters as pitch discrimination, sense of consonance, tonal memory and sensing rhythms.
3. A musical background as a result of private study or a successful public school music experience.
4. The ability to play the piano or some orchestral instrument representing at least two years of study.

The personal interview is given by the Director of the Department of Music. These interviews have proven to be helpful in aiding the applicant to determine his fitness for the work in the music curriculum. Since we have more candidates than can be accepted, it is advisable to make application for admission to the Registrar of the college and arrange for an interview early in the new year.

**EXPENSES.** The entire expenses for a school year of thirty-six weeks will amount to approximately \$528.00. This cost is itemized below for one semester.

Contingent Fee (covering the cost of class instruction, private lessons, and piano rental.) . . . . .	\$108.00
Board, Room, and Laundry . . . . .	126.00
Estimated cost of books, music supplies and instrumental rental . . . . .	25.00
Student Activity Fee . . . . .	5.00
	<hr/>
	\$264.00

**THE PLACEMENT OF GRADUATES.** The Director assists graduates of the department in obtaining suitable teaching positions. Much care is exercised in advising the graduate with respect to placement.

Superintendents and supervising principals interested in graduates of this department are invited to come to Indiana for observation of their classroom teaching and conducting of larger group organizations in music.

**STUDENT TEACHING.** Music Students teach for one year in the Training School. Every phase of music teaching and every type of musical organization is to be found in our Training School program. This work is done in the Elementary and Junior High School located on the campus, and in the Elementary, Junior and Senior High Schools of the Indiana Borough Public Schools. This work is carefully supervised by members of the music faculty of the College.

**INSTRUCTION.** The curriculum for supervisors of music is designed to prepare for the teaching and supervision of both vocal and instrumental music in the elementary and secondary schools and for the organization and conducting of larger group ensembles in music.

Private instruction which is listed in each semester presents two phases of work, viz:

1. Private instruction in voice, piano, violin, and other stringed, woodwind and brass instruments of the orchestra and band.
2. Group musicianship.

In addition to the organizations listed below, students are given experience in small ensemble groups such as stringed groups, woodwind quartets and groups, brass quartets and groups, etc. This work stimulates immediate growth and prepares the students for teaching similar groups in the public schools. It is out of these groups that the larger organizations draw experienced players.

**MUSICAL ORGANIZATIONS.** The larger musical organizations are:

The A Cappella Choir	The Men's Glee Club
The Vesper Choir	The College Orchestra
The Lyric Choir	The College Band

A descriptive statement relative to the purpose and membership of these organizations will be found on pages 56 and 57 of this catalogue.

For further information concerning the work of this Department, write John W. Neff, Director, Department of Music.

		<hr/>	<hr/>
*Core Subjects		211½	16

N. B.—The electives listed above may be chosen from the fields of English or Social Studies thus completing the eighteen semester hours requirement for certification in the respective field.

## MUSIC COURSES OUTSIDE THE SPECIAL DEPARTMENT

The music courses of the primary, intermediate, and secondary curricula are listed in the respective curricula. All these courses are taught by regular members of the music faculty and the work is kept on as high a level as is that of the special courses in music.

Students outside the Music Department desiring private lessons in music may arrange for these by seeing the Director of the Department. A table of rates will be found on page 24 under Private Instruction Fees.

**THE A CAPPELLA CHOIR.** The membership of the A Cappella Choir is made up for the most part of students who are enrolled in the music supervisors curriculum. The repertory draws from both sacred and secular musical literature. The choice of materials used in building the programs gives the performers an intimate acquaintance with the various schools of choral literature. During the period of membership the student experiences the development of and the reaction to a number of programs suitable for many occasions.

The work of the choir fills the need for the artistic growth of the individual and prepares him for leadership in the better high schools supporting a cappella group singing. The organization contributes to the cultural and social life of the college and community through the giving of a number of public performances.

**THE VESPER CHOIR.** The Vesper Choir is a girl's organization. Membership is required of all first and second year girls in the music department and is open to a limited number of girls from other departments. The materials used represent a high type of musical literature. The work is largely A Cappella. This organization furnishes music for the Sunday evening Vesper Service.

**THE MEN'S GLEE CLUB.** The aims of this organization are to afford personal enjoyment through participation in ensemble singing, and to contribute to the public enjoyment by appearing at various college functions. Membership is required of all first year men in the music department and is open to all other men upon tryouts with the director.

**THE LYRIC CHOIR.** The Lyric Choir, a musical organization for girls, draws its membership from every department in the school.

The aim of the club is two fold; to furnish real pleasure to its members through the singing of the best secular music and to contribute to the musical life of the college by appearing on programs throughout the year.

**THE COLLEGE ORCHESTRA.** The College Orchestra is an organization of symphonic proportions. It plays a fine repertory of classic works as well as an ever growing list of more modern works. By means of several public appearances yearly, the orchestra contributes to the cultural and social life of the college. Members of the department of music are provided a fine experience in program building of a varied nature and an indispensable orchestral experience while students from outside the department are afforded a delightful music experience.

Membership is open to any student who can qualify. Students with orchestral experience are encouraged to bring their instruments and apply for memberships in this organization.

**THE COLLEGE BAND.** The College Band is an organization of concert proportions. Any student in the college who has gained suitable proficiency on his instrument is encouraged to apply for membership in this organization. The Band has won for itself a recognized place in the social and recreational life of the school.

## THE SUMMER SESSION

THE SUMMER SCHOOL has become an integral part of the year's work. Teachers in service and students in regular attendance can secure in the summer session six hour's credit toward any certificate or toward graduation in any curriculum. High school graduates who have not previously attended college may attend summer school but they are not encouraged to do so. The courses are planned primarily for those who have had previous work and an effort is made to meet all reasonable requests of teachers who are working toward higher certification or toward graduation. The groups whose interests are kept particularly in mind in planning the work of the summer session are:

1. Holders of Partial Elementary Certificates who are seeking standard certification or graduation.
2. Graduates of two or three-year curricula who are working toward degrees in their fields.
3. Holders of degrees who wish to secure the six hours required to make the College Provisional Certificate permanent, or who wish to secure additional certification.
4. Students in regular attendance who wish to secure additional credit or who wish to make up failures or incompletes received the previous year.

All courses given in the summer session require the same amount of time and are granted the same credit as if taken during a regular semester. The Summer School Bulletin will be mailed to anyone desiring more complete information regarding the courses to be offered.

## CERTIFICATION REQUIREMENTS

### *I. State Standard Limited Certificate*

The State Council of Education at a meeting held June 16, 1932, authorized the issue of a State Standard Limited Certificate for persons desiring to teach the subjects prescribed for the elementary curriculum in the public schools of this Commonwealth. This certificate is issued in accordance with the following regulations:

1. Applicants for this form of certificate must have completed an approved four-year high school curriculum, or approved equivalent education, and two years, or the equivalent, of professional preparation for teaching.
2. This certificate will be valid for three years, renewable for an additional period of three years upon a rating of "low" or better and the satisfactory completion of twelve semester hours of further approved preparation, subsequent renewals to require a rating of "middle" or better on a State teachers' rating score card together with twelve semester hours of further approved preparation.

3. The State Limited License may be exchanged for a Provisional College Certificate when the applicant has met the requirements for this form of license as prescribed in the regulations, that is, has secured a degree and has met the requirements for certification in his field or fields.

An applicant for the State Standard Limited Certificate should have completed at least the first two years of an approved curriculum for the preparation of elementary teachers, including not less than six semester hours of approved practice teaching. Additional courses prescribed for renewal purposes should be selected in accordance with the particular degree curriculum in which the applicant has been enrolled and which should advance the holder of the State Standard Limited Certificate towards the completion of a four-year curriculum.

In accordance with the action of the State Council, June 16, 1932, the issue of the Temporary Standard Certificate has been discontinued as of September 1, 1932, with exceptions made of all those teachers-in-service who hold the partial certificate and others who may have completed for the most part the requirements for the issue of the Standard Certificate in accordance with the regulations. This action of the State Council means that the Normal School Diploma, formerly granted to graduates of the two-year curricula, will be replaced by the State Standard Limited Certificate as described above and that the Standard Certificate will be given only to present holders of the Partial Elementary Certificate who "have completed for the most part the requirements for the issue of the Standard Certificate."

## *II. College Certificates*

1. The Provisional College Certificate is issued to any graduate of one of the four-year curricula and entitles him to teach the subjects indicated on the face of the certificate in any secondary school in the Commonwealth for a period of three years. Three years of successful teaching and the completion of six semester hours of additional approved training enables the owner to receive the Permanent College Certificate. This is a life certificate to teach the subjects in his field in any high school in the State.

In order to add a subject to a certificate in the secondary field credentials showing the satisfactory completion of eighteen semester hours of approved preparation must be presented. The addition of subjects in the secondary field to a certificate in the elementary field is no longer permitted.

Practice Teaching is offered in the Campus Training School, the Public Schools of Johnstown and neighboring boroughs. A special full time supervisor is employed to direct the work in the secondary field in Johnstown.

In the Indiana Public Schools highly qualified supervisors and training teachers supervise and direct all student teaching in the primary and intermediate fields. Student Teaching in the special departments is also done in several high schools within reach of the College. The total number of pupils in Training Rooms, exclusive of those in the special fields of Commerce and Home Economics, is approximately 1800.
